**AMHI and SVI Summary &  
Grant Percentage Calculation**

Attachment 2 - AMHI and SVI Summary

List of Geographies	SVI	2018 ACS 5 YR - Annual Median Household Income (B19013_001E)	2018 ACS 5 YR - Average Household Size (B25010_001E)	2014 ACS 5 YR - Total Population (B01003_001E) - <u>Prior</u>	2018 ACS 5 YR - Total Population (B01003_001E) - <u>Current</u>	2018 Unemployment Rate (derived from Civilian Labor Force-Unemployed/Total-B23025)	2018 ACS 5 YR - Civilian Labor Force: Total (B23025_003E)	2018 ACS 5 YR - Civilian Labor Force: Unemployed (B23025_005E)
United States		\$60,293	2.63	314,107,084	322,903,030	5.86%	162,248,196	9,508,312
Texas		\$59,570	2.86	26,092,033	27,885,195	5.41%	13,728,630	743,006
StudyArea	0.5080075	\$44,556		180,109	183,697	4.381%	68,370	2,995

**Category 1: Flood Protection Planning for Watersheds**

Local Jurisdiction Name: Trinity River Authority (TRA)  
 County Name(s): All or portions of Anderson, Freestone, Grimes, Houston, Leon, Madison, Polk, San Jacinto, Trinity and Walker Counties (AMHI based on weighted population is shown in table)  
 River Basin: Trinity  
 Date: 5/18/2020  
 Project: Mid-Basin Watershed Study

**Types of projects may include:**

Watershed studies for watersheds sized HUC-10 and larger; flood control planning per TCW 15.405

**Program only awards grants.**

Minimum grant: 50% State / 50% local match  
 Maximum grant: 100% State

- \* Study an entire watershed no smaller than HUC-10 to develop strategies (structural and nonstructural) to reduce flooding.
- \* All activities under this category must be considered “flood control planning” as defined in Texas Water Code Section 15.405.
- \* Cannot be used to create FEMA FIRMs.

If Applicant's AMHI	Applicable Funding Eligibility
< 50% of State AMHI <b>and</b> area received disaster declaration within last 5 years	100% grant
< 75% of State AMHI	90% grant / 10% local match
<b>between 75% and 125% of State AMHI</b>	<b>75% grant / 25% local match</b>
> 125% of State AMHI	50% grant / 50% local match

Note: In-kind services can be used towards local match.

Area's Annual Median Household Income (AMHI)	State AMHI	% of Area AMHI / State AMHI
\$44,556	\$59,570	75%
