## TRA RECOGNIZED FOR EXCELLENCE IN FINANACIAL REPORTING

(ARLINGTON, TX) – The Trinity River Authority of Texas has been awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada (GFOA) for its comprehensive annual financial report (CAFR). The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

An Award of Financial Reporting Achievement will be presented to Alison Mackey, chief financial officer, for the finance departments work on the award-winning CAFR.

The CAFR has been judged by an impartial panel to meet the high standards of the program, which includes demonstrating a constructive “spirit of full disclosure” to clearly communicate its financial story and motivate potential users and user groups to read the CAFR.

The Government Finance Officers Association advances excellence in government finance by providing best practices, professional development, resources and practical research for more than 20,500 members and the communities they serve.
