## WHO:

The Trinity River Authority of Texas, the Texas Commission on Environmental Quality and local partnership group consisting of the cities of Cedar Hill, Grand Prairie, Mansfield, and Midlothian are partnering with local governments, business owners, and residents.

## DETAILS:

To improve and protect water quality in the Joe Pool Lake watershed TRA, TCEQ, and the local partnership, have initiated work on a 3-year, stakeholder driven study aimed at identifying the sources of elevated bacteria and nutrients within the Joe Pool Lake watershed.

For more information, go to <http://trinityra.org/joepoollakewpp.html> or contact Heather Firn at 817-467-4343 or [firmha@trinityra.org](mailto:firmha@trinityra.org).

This project is funded through a Texas nonpoint source grant from the Texas Commission on Environmental Quality and the U.S. Environmental Protection Agency, with matching funds provided by the local partnership group and TRA.
